

MeetingBoard for All Spaces

Recommend package: MB65-A001 or MB86-A001

Yealink MeetingBoard is a truly all-in-one collaboration space solution that fits all meeting rooms. It consists of a 4K camera, crystal-clear speaker, full-duplex microphones, and a 65/86 inch collaboration whiteboard to provide an immersive meeting experience and allow collaboration anytime, anywhere. It is also compatible with a full range of peripherals (additional camera, extension mic, touch console, movable floor stand, etc.)

MeetingBoard 65
(2-12 Users)

MeetingBoard 86
(> 12 users)

Streamline the Meeting Room

The Teams certified MeetingBoard comes with all-in-one design to eliminate the need for separate TV, camera, whiteboards, markers and erasers, reducing clutter and streamlining meetings.

Plug-and-Play Device Mode

The MeetingBoard, when used with the VCH51/WPP30, offers not only wired/wireless content sharing with its easy plug-and-share feature but also allows you to use the MeetingBoard's AI-enhanced video and audio system wirelessly for online meetings on any app.

Transcend the Meeting Room

The MeetingBoard solution adds smart whiteboard collaboration, aiming to enhance creativity and productivity during video meetings.
